During the day the U35 runs every 5 minutes, the ride takes about 10 minutes to the stop “Ruhr-Universität”. You need to buy a ticket of category A from the ticket machine which has a sign “VRR”. The ticket has to be marked before you take the train (There are orange machines in front of the escalators that will take you to the platform).

Coming from the subway station:

After leaving the subway turn right towards “Universität” / “Universitätsbibliothek” (university library) and cross the university-bridge. Please pass the university library and the “Audimax”. Behind the “Audimax” you will find the refectory building. Please look for the posted way to the congress hall then. The congress hall “Veranstaltungszentrum” is located underneath the refectory of the University (floor 04).

From Düsseldorf Airport (terminal):

Please take the “SkyTrain” to the railway station “Düsseldorf Flughafen”:

The “Sky Train” runs daily from 3.45 – 0.45 h between the terminals and the station. The transport takes about 5 min. The train stop is marked and located in front of the arrivals. From the station “Düsseldorf Flughafen” a non-stop train to Bochum – called “Regionalexpress (RE)” (towards Paderborn or towards Minden) – runs every 30 minutes. You can buy a train ticket of the “Verkehrsverbund Rhein-Ruhr (VRR)” category D (about 14 €) at one of the ticket machines next to the train platforms. You may also use this ticket for the underground to the Ruhr-University. If you take an IC-, ICE- or EC-train, you have to pay an additional fee.

The running time to Bochum main station by “Regionalexpress” is about 35-40 minutes.
